

Opening Doors CAMPAIGN

With your help we can keep the doors opened for children and families to shelter, safety, hope and healing.

Community donations from individuals are very important to our current operations of programs as well as the future of CHS. While CHS is very successful in obtaining government and foundation funding, these dollars are usually restricted for specific purposes. The "Opening Doors Campaign" will enable CHS to continue our youth and family programs and meet the increasing demand for services as our communities grow.

CAMPAIGN OBJECTIVE

To raise monies to support current program operating costs and create an endowment fund for Center for Human Services . Donations will be divided 50/50 between these two areas, unless otherwise stated by the donor. Our goal is to raise 1 million dollars in pledges by December 2008.
